THE KHOJA SHIA ITHNA-ASHERI MUSLIM COMMUNITY OF PETERBOROUGH

SALAAT TIMES

PETERBOROUGH

June 2015 / Ramadhan 1436

ADVISORY STATEMENT

As a matter of precaution, ten minutes have been added to the original timings of Fajr Salaat and five minutes have been added to the original timings of Maghrib Salaat, to obtain certainty with regards to adherence to the Shari'i timings of the Salaat.

In view of these adjustments, those intending to fast should stop eating and drinking on or before the time of Imsaak, and not continue till the time of Fajr Salaat.

June 2015 / Ramadhan 1436

"The prayer is the standard of Islam. Whosoever loves prayers, and observes their limits, timings and methods, is a true believer."

(Holy Prophet SAW)

RECOMMENDED ACTS OF SALAAT

- Offer your Salaat at the prime times; the closer to the actual Salaat time, the better.
- Say Adhan and Iqamah before your Wajib Salaat.
- When you hear Adhan being recited, follow by reciting together in a low voice.
- In Sajdah, place your nose on a Mohr or any other thing on which Sajdah is allowed.
- Turbatul Husayn (AS) is the best thing for performing Sajdah.
- Recite the Tasbih of Bibi Fatima (AS), Du'a and Qur'an whilst facing Qibla after Salaat.
- Perform a Sajdah of thanksgiving after Salaat, say "Shukran Lillah" or "Al'afw" one hundred times, or three times, or even once whilst in Sajdah.
- Wear clean, white clothes and an Aqeeq and perfume yourself before offering Salaat.

For the Isaale Thawaab of
Marhum Al Haaj Sultanali Alibhai Jaffer
and all Marhumeen.

Please recite Surah al Fateha
for all Marhumeen.

"The first thing that Allah made obligatory upon my Ummah was the five prayers, and the first thing from their acts of worship that shall be taken up will be the five prayers, and the first thing that they will be questioned about will be the five prayers."
(Holy Prophet SAW)
