For the Isaale Thawaab of all Marhumeeen

**Updated June 2015:** As a matter of precaution, **10 minutes** have been added to the original timings of **Fajr** salaat and **5 minutes** to the original timings of **Maghrib** salaat to obtain certainty with regards to adherence to the Shari'i timings of the salaat. In view of these adjustments, those intending to fast should stop eating and drinking on or before the time of **Imsaak**, and not continue till the time of Fajr salaat.
